*'Reconciling Hope –
A Broken Church
For A Broken
World'*

Churches Together in England

Pentecostal Bishop, Mike Royal, has been called as the next General Secretary of Churches Together in England (CTE).

Bishop Mike has a wealth of ecumenical experience at local, regional and national level. He said : "I am both honoured and humbled to accept the role of General Secretary of Churches Together in England, as the church journeys together to fulfil the mandate of Jesus – 'that they all may be one, as we are one' (John 17.22).

I pray, as our country and the church navigate together through challenging and difficult issues, that we will all find a deeper commitment to God and to one another, as we travel together on this vital ecumenical journey". Read more [here](#)

The CTE Forum 2022, 'Reconciling Hope – A Broken Church For A Broken World', will take place 14-16 March at The Hayes Conference Centre, Swanwick DE55 1AU. It is the broadest Ecumenical gathering of Christians in England. It will address the theme of Reconciliation

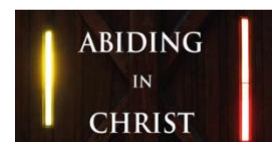

in a post-Covid world, including reconciling communities by being good news in fractured communities and society; reconciling people with God by bringing the Good News to a disbelieving world ; reconciliation with the earth by being good news to a world in climate emergency. Read more [here](#)

Nourishing the Roots - a Chance to Refresh Our Ecumenical Vision'

Churches Together in Dorset

CTD's County Ecumenical Officer, Katja Babei, was pleased to be able to attend **'Nourishing the Roots - a Chance to Refresh Our Ecumenical Vision'**, the Churches Together in England Conference for Ecumenical Officers in Swanwick, 28-30th September, along with CTD's Chair, Major Katrina

Greetham and the Methodist and URC representatives Dudley Coates and Peter Clark. It provided a space for open conversation, reflecting the diversity of tradition. The many challenges during Covid were discussed with possibilities for the future including being more distinctly outward-facing and aligned with mission and witness, nimble structures,

being attentive to and focussed on the local level and being fuelled by strong personal relationships.

A key text discussed was Pope Francis' book, *Let Us Dream - The Path To A Better Future* and its theme of synodality.
